Spring
2017

Work Family Matters

Spring is the season of new growth – the trees have been dormant in the winter chills.

Spring is the season of hope – hope of potential is experienced afresh.

What do you hope for?

What new aspects of your life do you want to take hold of? To create?

This is your moment to create a new way of being in the world.

Please join me in the workshop of your choice to grow into your fullest potential this new season!

Steph

Time to Think
Master Class

An introduction to Time to Think, the work of Nancy Kline which is embedding the neuroscience of how we can best think independently through practical, experiential learning.
